

Course description

Course abbreviation:	KGE/SRGV1	Page:	1 / 3
Course name:	Individual Field Work 1		
Academic Year:	2023/2024	Printed:	31.05.2024 22:29

Department/Unit /	KGE / SRGV1			Academic Year	2023/2024
Title	Individual Field Work 1			Type of completion	Pre-Exam Credit
Accredited/Credits	Yes, 3 Cred.			Type of completion	
Number of hours	Seminar 10 [Days/Semester]				
Occ/max	Status A	Status B	Status C	Course credit prior to	NO
Summer semester	0 / -	0 / -	0 / -	Counted into average	NO
Winter semester	0 / -	0 / -	9 / -	Min. (B+C) students	10
Timetable	Yes			Repeated registration	NO
Language of instruction	Czech			Semester taught	Winter semester
Optional course	Yes			Internship duration	0
Evaluation scale	S\N				
No. of hours of on-premise					
Auto acc. of credit	Yes in the case of a previous evaluation 4 nebo nic.				
Periodicity	K				
Substituted course	None				
Preclusive courses	N/A				
Prerequisite courses	N/A				
Informally recommended courses	N/A				
Courses depending on this Course	N/A				

Course objectives:

The aim of this course is to enable students to participate in field work in accordance with possibilities of the Department of Geography (the number of students, crowdedness of offered possibilities, collision of date, etc.), provide students with a fundamental review of field work and applied methods of research, inquiries, etc. Students obtain required information, knowledge and skills and methodological strategies required for their personal research or inquiry.

Requirements on student

Fulfilment of required assignments - field research, processing and presentation, processing of statistical data and their evaluation, elaboration of written or electronic record of the field trip.

Content

The content of this course is the Field work (possibilities are: inland field work or participation in terrain inquiry organised by the Department of Geography). Students are introduced to Field education and practical demonstration of methods, strategies, activities and skills and their rehearsing, understanding and mastery of them.

Fields of study

Guarantors and lecturers

- **Guarantors:** Doc. RNDr. Jiří Ježek, Ph.D. (100%)
- **Seminar lecturer:** Doc. RNDr. Jiří Ježek, Ph.D. (100%), Mgr. Martin Kebza (100%)

Literature

- **Basic:** Novotná, Marie. *GIS Nečtinsko*. V Plzni : Západočeská univerzita, 2006. ISBN 80-7043-425-2.
- **Recommended:** *vyplyne ze zadaného tématu.*

Time requirements**All forms of study**

Activities	Time requirements for activity [h]
Practical training (number of hours)	78
Total:	78

assessment methods**Knowledge - knowledge achieved by taking this course are verified by the following means:**

Project

Skills - skills achieved by taking this course are verified by the following means:

Project

Individual presentation at a seminar

Competences - competence achieved by taking this course are verified by the following means:

Project

Individual presentation at a seminar

prerequisite**Knowledge - students are expected to possess the following knowledge before the course commences to finish it successfully:**

not specify

Skills - students are expected to possess the following skills before the course commences to finish it successfully:

not specify

Competences - students are expected to possess the following competences before the course commences to finish it successfully:

N/A

teaching methods**Knowledge - the following training methods are used to achieve the required knowledge:**

Field trip

Individual study

Skills - the following training methods are used to achieve the required skills:

Field trip

Individual study

Students' portfolio

Competences - the following training methods are used to achieve the required competences:

Individual study

learning outcomes**Knowledge - knowledge resulting from the course:**

Students grasp practical knowledge, methods and strategies of field work, which they obtain through their class participation. They also make a sense of fundamental relationships and contexture and they are able to solve problems. Students gain experiences to complete their seminar papers, bachelor theses or diploma theses.

Skills - skills resulting from the course:
